

Day Programs

from Sea to Sky Outdoor School

September - June

WHERE? You Choose!

The NATURE NEST

Come and visit the new Sustainability Education Classroom at Langdale Elementary School.

Raise eco-literacy and connect students to a world full of opportunity and challenge.

YMCA Camp ELPHINSTONE

Explore the creeks, forests and shorelines of this beautiful waterfront location close to the Nature Nest.

Cultivate a sense of place, build 'team' and offer a rich outdoor experience where nature is teacher.

At YOUR SCHOOL

Bring Sea to Sky's experienced teachers in to help you meet your sustainability curriculum needs.

Take up the Greenstar! challenge and shrink your school's eco footprint.

Cost per student:

\$30 and up

minimum group size 20 students

Ask us about special rates for programs at your school
